Subject: clarification of title on the question sheet

Jim,

Joe Dorant was concerned about the title I put on the top of the question sheet "presented to Mass. State Police". I titled it like that because when I surveyed everyone here they understood that eventually the questions would be posed to MSP. **This has not gone to MSP yet, please hold you copy in private.** After review at the meeting Thursday, we may have some adaptations or additional things to add, but let's keep the current document in house for now.

Mike
